AUTOMOTIVE & WORKSHOP

TRUCK & CAR WASHES

PREDATOR - Multipurpose Cleaner & Degreaser

FLEET CLEAN - Degreaser & Cleaner

ECO BREAK - Quick Break Degreaser Cleaner & Sanitiser

WASH AND WAX - One shot cleaner and waxer

GLISTEN - One shot cleaner and surface conditioner

MAINWASH - Non-caustic, Low streaking Cleaner

TRIPLE 2 - Food-area-safe; Non Haz Cleaner & Degreaser

RED DIRT, BORE STAINS & RUST

AC580 - ACID DETERGENT - Blend of acid & surfactants with

max hydrofluoric Acid (HF) percentage allowed without license.

ACID CLEANER AC526 - Like AC580 except no HF acid.

MARINERS MATE EXTRA - Non Haz; Green rated organic acid foaming cleaner with disinfectant

TOUCH LESS AUTO CARWASH

FORMULA ONE - Prewash & main wash cleaner degreaser

FORMULA TWO - Shining agent & water repellent

FORMULA THREE - Water repellent & beading agent

ANTIFOAM - Silicone based defoamer for water based systems

BIOCIDE BS - Controls of bugs & odours in reclaim

COOLANTS & TREATMENTS

AFAB 50 PREMIX COOLANT - Diesel Premix - AS2108.1:2004

Type A Coolant - 50% MEG - 5 years or 250,000km protection standard.

AFAB COOLANT CONCENTRATE - Hybrid Additive Technology

(HAT). Type A - 90% MEG & inhibitors. Meets most

common testing specifications ASTM, SAE, MES ect.

Dilute to 33.3% (cars) or 50% (Diesel or High Per)

by volume with DI (or soft) water to make Type A coolants.

ADCLEAR - "AdBlue" type Urea based NOX reducer for SCR

AQUA GUARD RADIATOR INHIB - Coolant corrosion inhibitor

concentrate. AS2108.1:2004 Type B water and inhibitor only

MONO ETHYLENE GLYCOL (MEG) - Antifreeze 99.9%

DISTILLED WATER - Deionised water

BATTERIES

SULPHURIC ACID 33% - Standard v/v for Lead acid batteries

SULPHURIC ACID 60% - Concentrated sulphuric for blends

NiCAD ELECTROLYTE SOLUTION - Filling new NiCADs

DISTILLED WATER - for topping ups and diluting Clearview

FOOD GRADE DEGREASER CLEANERS

MARINER - HD Degreaser & Sanitiser

TRIPLE 2 - FOOD SAFE - NON DG Degreasing & Cleaner

AIR FRESHENERS

TERMINATE - Liquid sanitizer and Reoderant

FRESH TALC - Liquid Air freshener with Sanitiser

ZONE FRESH - Liquid Floral Reoderant & sanitiser

INDUSTRIAL SOLVENTS

ELECTRICAL SAFETY SOLVENT * KEROSENE * METHANOL *

D-LIMONENE * METHYLENE CHLORIDE * MINERAL TURPS *

PERCHLORETHANE * SOLVENT 88 * SPEEDY * MEK

PARTS WASHING & TREATMENT

SPIN BATH POWDER - Parts washing machine powder.

SOLVENT DECARBONISER - Cold tank "acid bath"

with pungent smells for added safety

ALKALINE DECARBONISER - Caustic soak bath solution with

inhibitor, used for "hot tank"

RUST EVAPORATOR - Non hazardous rust dissolver concentrate

for soak bath use. Safe most metals

PAINT STRIPPER - AC800 - Heavy duty paint stripper most paints

SANVERT - Rust converter and primer

AQUA GUARD CORROSION INHIBITOR - water based

protectants for parts and surface pre-treatment prior to painting

ALUMINIUM BRIGHTENER - AC580

ACIDS & ALKALIS

CAUSTIC SODA * LIQUID CAUSTIC * NITRIC ACID * OXALIC

ACID * CITRIC ACID * HYDROCHLORIC ACID * PHOSPHORIC

ACID * ACETIC ACID * BORIC ACID * SULPHAMIC ACID *

CRESYLIC ACID * SULPHURIC ACID and more.

TYRES, RIM & FENDER CARE

SUPER SHINE - Silicon gloss finish for tyres & dash

TYRE GLOSS - Silicone free tyre treatment

TYRE LUBE - Tyre mounting gel

TYRE SEALANT - Rim corrosion inhibitor, sealer & coolant

SPEEDY - Safe removal of Brake dust, Bitumen, oils, fresh paint

stains from most surfaces

INTERIORS & EXTERIOR

CARPET CARE - Low foaming carpet & upholstery cleaner

CARPET FRESH - Powdered carpet deodoriser

CARPET PRESPRAY - Stain & spot remover

CLEARVIEW - Concentrate to make Glass and chrome cleaner

CRYSTAL - Ready-to-use Glass and Stainless steel cleaner

SHIELD & SHINE - Silicon polish and protective treatment

SPEEDY - Safe removal of Graffiti, Pen, Bitumen from most surfaces

WASHROOM & OTHER (See other brochures for more)

CITRA GEL - Orange hand cleaner with medium grit level

MANDELL - Anti-bac soap hand cleaner

TITAN - HD alkaline detergent powder for workshop floor cleaning

URINAL BLOCKS - 10kg bucket of 100 gm blocks; same as pub.

TORNADO - Disinfectant, Porcelain & Tile cleaner with Deodorant

TOILET ROLLS STANDARD 2 PLY - 48 rolls to carton

TOILET ROLLS JUMBO 2 PLY - 8 rolls to carton

BIN LINERS - Regular sizes & Thickness -27L, 36L, 80L, 120L, 240L

BAG OF RAGS - 15KG bag of Flannette rags

If a product is not listed for your application...please do not despair or buy elsewhere....simply ask your friendly account person as this brochure list only the main lines for automotive & workshop

AUTOMOTIVE & WORKSHOP

PRODUCT	SHORT DESCRIPTION
AC580 – ACID DETERGENT	AC580 is a detergent based on a blend of acids, formulated for cleaning and brightening of aluminium & stainless steel. Removes rail and iron ore dust from vehicles and machinery and is also an excellent cleaner of bore water stains. Contains Hydrofluoric Acid HF - Do not use on glass windscreens. Available in: 5L, 15L, 25L & 205L drums.
ACID CLEANER – AC506	ACID CLEANER AC506 is similar to AC580 except it does not contain Hydrofluoric Acid. This product is excellent for cleaning alloy motors and wheels, removes rail and iron ore dust from vehicles and machinery. AC506 is also suitable for cleaning bore water stains from terrazzo and concrete. Available in: 5L, 15L 25L & 205L
AFAB 50 PREMIX COOLANT	AS2108.1:2004 Type A coolant containing 50% MEG and inhibitors. This product is suitable diesel trucks, busses or most HD application providing coverage of up to 5 years or 250,000km. Available in: 25L, 205L or 1000L PODS
AFAB COOLANT CONCENTRATE	Hybrid Additive Technology (HAT) Type A radiator coolant, containing 90% MEG & inhibitors. Meets the most common testing specifications ASTM, SAE, MES ect, it can be used neat or diluted with distilled / deionised water to 33.3% v/v for use in most modern cars or diluted 50%v/v for use in Diesel or High Performance applications. Available in: 25L, 200L or 1000L PODS
ALUMINIUM BRIGHTENER	ALUMINIUM BRIGHTENER (AC580) is a detergent based on a blend of acids formulated for cleaning and brightening of aluminium and stainless steel substrates and parts. This product also effectively removes rail and iron ore dust from vehicles and machinery and is also an excellent cleaner of bore water stains. Available in: 5L, 15L, 25L & 205L drums.
ANTIFOAM	ANTIFOAM is a defoaming agent concentrate for foam suppressing applications in interceptors, car wash machines and for most processes where foam suppression is required. Can be added to most Able Westchem products to reduce foaming. Available in: 5L & 25L drums.
AQUA GUARD RADIATOR INHIBITOR	AQUA GUARD RADIATOR INHIBITOR (AC399) is a green coloured Type B inhibitor concentrate used to make coolant from soft of DI water. 500ml of Aqua Guard makes 10 litres of Radiator Coolant. Available in: 5L & 25L drums.
CARPET CARE	CARPET CARE is a low foaming carpet cleaner, with green apple scent; it is a detergent with excellent wetting and cleaning properties. It is suitable for water extraction cleaning and spot cleaning for all synthetic and woollen carpets. Available in: 5L, 15L & 25L drums (Earthcare)
CAUSTIC SODA	CAUSTIC SODA AC291 otherwise known as sodium hydroxide is an alkaline powder used to dissolve grease, oils and fats. It is also used to clean and etch aluminium and other metallic substrates. Available in: 5Kg & 20Kg pails or 25Kg bags.
CITRAGEL	CITRA-GEL is a ready-to-use heavy duty hand cleaner formulated with a special blend of biodegradable surfactants, emollients, orange oil and mineral grit. Available in: 1L x 8, 5L, 15L & 25L containers (Earthcare)
CLEARVIEW	CLEARVIEW is a concentrated cleaner for glass and chrome surfaces. CLEARVIEW will remove dirt and grime quickly, leaving a clean, sparkling film-free surface. Dilute up to 1:7 parts with water. Available in: 5L, 15L & 25L drums.
CRYSTAL	CRYSTAL is suitable for use on windows, windscreens, mirrors, chrome work and stainless steel. This product will not harm tinting. Available in: 5L, 15L, 25L & 205L drums (Earthcare)
DISTILLED WATER	DISTILLED WATER AC305 is deionised water. Used commonly for diluting concentrates such as CLEARVIEW glass cleaners and radiator coolant concentrates. Available in: 5L, 15L, 25L, 205L & 1000L drums.
ECO BREAK	ECO BREAK is a quick break degreaser suitable for use with reclaim systems such as triple or plate interceptors. This product also contains a disinfectant for add flexibility of use. Suitable for use in vehicle washing stations, workshops, rubbish depots and mine sites. Available in: 5L, 15L, 25L & 205L drums. (EARTHCARE)
ELECTRICAL SAFETY SOLVENT	ELECTRICAL SAFETY SOLVENT is a solvent cleaner for degreasing electrical equipment and metal parts. This product will leave no residue and can also be used to remove oils, grease, resins, soils, etc. ELECTRICAL SAFETY SOLVENT has a relatively high flash point and is non-corrosive and non-conductive. Available in: 5L, 20L & 200L
FLEET CLEAN	FLEET CLEAN has been specifically formulated to remove traffic film, road grime and grease from a wide range of surfaces. It rinses freely, leaving a clean, streak-free surface. FLEET CLEAN is safe to use on all washable materials. It contains no harsh chemicals or solvents and will not harm aluminium, paint or rubber. Available in: 5L, 15L, 25L & 205L
FORMULA ONE	FORMULA ONE is a powerful water based liquid detergent with excellent foaming and degreasing properties. Designed to use in the first stage of automated carwash cycle FORMULA ONE will remove grease, oil, road film and heavy soil particles from vehicles with ease. Available in: 25 & 205L containers. (Earthcare)

AUTOMOTIVE & WORKSHOP

FORMULA TWO	FORMULA TWO is an environmentally responsible cleaning and softening agent designed to remove excess FORMULA ONE and the remaining road dust residues whilst imparting an antistatic film to prime surfaces for the use of FORMULA THREE in the final stage of most automatic car washing systems. Available in: 25 & 205L containers. (Earthcare)
FORMULA THREE	FORMULA THREE is final stage water dispersant for faster drying & reduced water spotting. Available in 25 & 205L containers. (Earthcare)
FRESH TALC	FRESH TALC is an air freshener spray with a pleasant, long lasting floral perfume. Available in: 15L, 25L & 205L. (Earthcare)
GLISTEN	GLISTEN is a multipurpose car shampoo cleaner suitable for vehicle and truck washing. GLISTEN does not contain harsh alkalis or solvents and will not affect paintwork or polishes. The product rinses freely, leaving a clean and streak-free surface that glistens. GLISTEN also works well on different types of floors. Available in: 5L, 15L & 25L containers. (Earthcare)
GRAFFITI REMOVER – AC800	GRAFFITI REMOVER is a solvent blend designed for the removal of a variety of coatings and residues from plastic, glass and painted surfaces. GRAFFITI REMOVER will remove pen, texter, marker pen, Artliner and permanent pen marks from glass, plastic and painted surfaces without undue damage to the underlying surface. Available in: 5L & 20L containers
HEAVY DUTY SOLVENT DEGREASER	HEAVY DUTY SOLVENT DEGREASER AC603 is a hydrocarbon based emulsified solvent cleaner for removing heavy contamination of oil and grease. Use with confidence on most surfaces. Available in: 20L & 205L drums.
KEROSENE	KEROSENE DEODORIZED is a general purpose solvent having a mild fragrance. Available in: 5L, 20L & 200L drums.
LIQUID CAUSTIC 50%	LIQUID CAUSTIC is used for controlling pH in a variety of processes and industries Available in: 5L, 25L & 205L drums.
MAINWASH	MAINWASH is a non-caustic, low streaking, LIQUID concentrate for use as Truck & Bus wash concentrate. Use this solution at 1:5 to 1:50 with water for most cleaning applications. Available in: 5L, 25L & 205L drums Also available as a POWDER for the onsite production of 205L batches for added economy. Available in : 25kg Bag
MARINER	MARINER is recommended for cleaning and degreasing applications where sanitising is also required. Ideal for concrete floors, aluminium truck bodies and engine degreasing. MARINER will emulsify grease and oils spontaneously, even in very hard water or seawater. AQIS approved. Available in: 5L, 15L, 25L & 205L drums.
MINERAL TURPS	MINERAL TURPS AC822 is a general purpose hydrocarbon solvent used to degrease other hydrocarbons like oils and paints. Product commonly used to dilute our degreaser concentrates for economy. Available in: 5L & 20L drums
PREDATOR	PREDATOR is a heavy duty alkaline detergent formulated for quick and easy removal of fats, starches, soils, dirt, grime, grease and oils from most surfaces. Available in: 5L, 15L, 25L, 205L & 1000L drums.
TYRE SEALANT	TYRE SEALANT provides good corrosion protection over long periods without masking cracks or fissures. TYRE SEALANT contains a special blend of anticorrosive ingredients and antioxidants to provide protection to all types of metal whilst the aqueous nature of the product allows for more efficient heat transfer to dissipate hot spots maintain a more even tire temperature. There are also polymers incorporated into the formulation to improve the rim sealing properties for good tyre pressure retention and to eliminate long term tyre / rim weld problems. Available in: 1000L litre containers.
SHIELD & SHINE	SHIELD & SHINE is a liquid polish, based on a silicone emulsion and designed to restore vinyl, plastic, tyres, leather and some wood surfaces to a new look. SHIELD & SHINE does not contain harmful solvents and is safe to use on most hard surfaces. Available in: 5L, 15L & 25L. (Earthcare)
SOLVENT DECARBONISER	Di-phase solvent cleaner, ideal for use to decarbonise carburettors, automotive engine parts, gears etc, where they can be readily left immersed in a solvent bath. Will also remove carbon dust, resins, paints, varnish, oils and grease marks from ferrous metals and alloys. Aluminium, Zinc and other amphoteric metals (susceptible to chemical attack from both acids and bases) are not affected. Available in: 20L & 200L Drums.
SPRAY & WIPE	Liquid general purpose cleaner concentrate, ideal for maintenance use. Dirt, grease and grime are quickly removed without tedious scrubbing. Available in: 8x750mL, 5L, 15L & 25L containers. (Earthcare)
SUPERSHINE	SUPERSHINE tyre and vinyl gloss is a solvent-based silicone polish designed for the car detailing industry, to restore a new look to tyres as well as vinyl and rubber parts. SUPERSHINE works by penetrating into the surface, sealing & protecting it, while imparting an excellent high gloss finish. Super Shine can retain its glossy appearance for weeks. Available in: 5L & 20L containers.

AUTOMOTIVE & WORKSHOP

TERMINATE	TERMINATE is a disinfectant spray with a broad spectrum of odour control capabilities. Unlike normal air fresheners, TERMINATE does not simply mask the odour, it neutralizes the odour at the source and replaces it with a pleasant long lasting perfume scent. Available in: 8x750mL, 5L, 15L & 25L containers.
TITAN	TITAN is a heavy duty powdered cleaner for the efficient removal of grease, oil, heavy fat and protein contamination. Especially good on different types of floors. Available in: 5Kg, 20Kg & 25Kg containers.
TRIPLE 2	TRIPLE 2 is a water based cleaner and degreaser used for the removal of heavy grease and soils that build up on engines, equipment and painted surfaces. Available in: 5L, 15L, 25L & 205L drums.
TYRE BLACK	TYRE BLACK - SC1070 is a water based tyre treatment (blackener and rejuvenator). Available in: 5L & 15L containers.
TYRE GLOSS	TYRE GLOSS SC1080 is an economical tyre gloss product that does not contain silicone. For longer lasting shine use SUPERSHINE. Available in: 5L, 15L & 25L containers.
TYRE LUBE	TYRE LUBE is a soap-based lubricant specially formulated for aiding in the installation of car and truck tyres. TYRE LUBE is completely biodegradable and will not harm the tyre or rim. Available in: 10Kg & 20Kg containers.
ULTRA ORANGE OIL	ULTRA ORANGE OIL SC912 is a heavy duty natural liquid product derived from orange peel via extraction and distillation. This product is a renewable alternative to petroleum hydrocarbon degreasers. Used commonly for general degreasing, graffiti removal (pens and texter marks), floor cleaning, carpet stain removal, car detailing, as a chewing gum softener and degreasing of electrical equipment and circuit boards. Available in: 5L & 20L containers.
WASH & WAX	WASH & WAX is an universal cleaning and polishing agent. Its regular use will prolong the life of any painted surface and eliminates dull, faded appearances. Ideal for commercial use. Available in: 5L, 15L & 25L containers. (Earthcare)
ZONEFRESH	ZONEFRESH is a floral disinfectant spray with a broad spectrum of odour control capabilities. Available in: 8x750mL, 5L, 15L & 25L containers.

ALSO AVAILABLE: Chamois & Cloths - Brooms & Brushes - Gloves & Hand Towels - Toilet Paper & Roll Towels - Sponges & Scourers - Taps, Bottles & Drums - Staff Training - Wall Charts & MSDS - Truck wash Foamers & Dilution Station.
